One Step®

Laminate Stair Tread

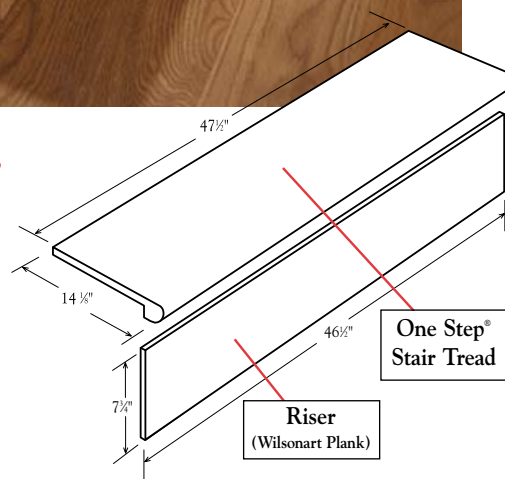

Exclusive One Step® Stair Tread

ONE STEP® LAMINATE STAIR TREADS COMBINE... THE BEAUTY OF WILSONART® FLOORING & CONVENIENT ONE-PIECE CONSTRUCTION

- Easy to install, one-piece construction
- Creates a beautifully coordinated transition between the stairway and adjacent floor
- Available in all Classic, Estate Plus and Red Label* woodgrain designs
- Alabaster / White risers also available

Please note: As some plank designs feature a blocked effect or a two-board visual, the Wilsonart Flooring One Step Tread may contain a wider strip than the matching Wilsonart Flooring design. This subtle variance provides a stair tread with a visual balance, with no compromise to color and texture.

**Not available for Red Label W9000006 Escada and W9000008 Figured Mahogany.*
